

NIGHT HUNTER ELITE

By LightFORCE

NIGHT HUNTER ELITE

Night Hunter Elite by Lightforce. Specifically designed and built with end user applications in mind, complemented by striking military inspired styling. Dominate the dark with confidence.

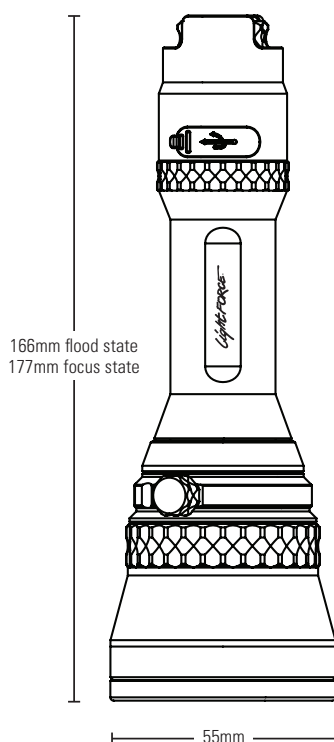

- **Four Colour LED** – Choose the ideal colour to detect target species without startling. Also includes a unique IR mode.
- **Firearm Mountable** – Standard one inch (25.4mm) tube ensures seamless integration with various firearm mounts.
- **Ultimate Focus** – Transition between an ultra-flood to focused beam, adapting to changing conditions.
