

THE HANDGUN OWNERS' TOOL KIT THAT FITS IN A MAG POUCH.

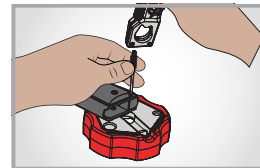

The list of possibilities is long and thorough – mounting accessories, field disassembly, adjusting laser sights and changing side grips are just a few. Here, with easy one-hand access is every tool a shooter could want to service and adjust the handgun of their choosing. Each tool locks open and is carefully calibrated to popular pistol platforms – from a polymer striker fired pistol to everything needed to take down the 1911. The Pistol Tool is an essential addition to every handgunner's range bag or workbench.
